We're back for our 9th Telethon! Ten lively hours of LIVE TV, showcasing local talent (singing, dancing and more) and tantalizing auction items. This is a special time in Sudbury when we all come together for a worthwhile cause - to help others in need.

The HOPEsudbury Telethon and Auction is held at Lincoln-Sudbury Regional High School and is broadcast LIVE on SudburyTV - Comcast 8/Verizon 31 from noon to 10 p.m. on Saturday, November 6, 2010. To access the live stream of the Telethon, go to www.sudburytv.org and click on "Watch Our Live Stream".

This Telethon Guide provides **ALL** the information you need to make the most of this year's Telethon, including a complete list and description of the fabulous items and services up for auction, as well as the rules for bidding.

About HOPEsudbury

HOPEsudbury (Humanitarian Outreach Project) was founded in 2001 by a group of Sudbury residents, town employees and business people to bring out the best in our community while supporting others in need.

Reaching Out to Others

Since 2002, HOPEsudbury has supported local residents who have fallen on hard times, distributing more than \$200,000 in financial assistance through the HOPEsudbury Community Assistance Fund. Hundreds of families and individuals have accessed the fund to

cover a variety of needs ranging from fuel bills and mortgage payments to home repair and medical supplies. Town Social Worker Martha Lynn maintains the integrity and confidentiality of this valuable community resource which is expected to give out more than \$40,000 in 2010 alone. To access the Fund, Sudbury residents may call Martha at 978-639-3358.

An additional \$110,000 has also been distributed to nonprofit agencies in surrounding communities and around the world who assist the poor and disenfranchised: A homeless shelter in Waltham... A soup kitchen in Boston... A school for girls in Afghanistan, to name a few.

Strengthening Community Ties

Of course, the "giving" piece is only one part of what we do. First and foremost, we create opportunities for Sudbury citizens to work together for the common good. Through our popular Telethon & Auction and our various community drives, HOPEsudbury engages residents from all walks of life to share their time, talents and treasures to support others in need.

We invite you -- as an individual, a family, a neighborhood, a school, a member of a local organization or business in town -- to join us by contributing your time, talents and/or resources to our efforts. For more information, call 978-443-0849.
